

From G. M. Arthur Hammer Feb 20-19
To Geo Sullivan. Dear Sir.

When I found this letter
written home by Father, in the
war. nearly 55 yrs ago. I thought
of you and I am sending it
to you for I think it will
interest you for it tells
about that great raid you
boys took on Tyler's house
you asked me for a piece of
the looking glass. but I
could find it - but it has been
in the house all these years
the brass kettle - that you
took from there. Father took
it to Cal. with him
and I suppose the boys
is taking care of it -

now, Geny I know you will
be glad to see this letter - it
shows the way close you
boys made the raid on
the Tyler mansion.

Take care of it - and
you can return to
me some time

To Geo. Sullivan - Dear Sir

You asked me for a piece of
the looking glass but I

The brass kettle that you

Now George I know you will
