Dear Unit Representatives and Reenactors,

On behalf of Harrison Tyler and the planning committee, I am delighted to invite you and your unit to participate in the 20th Anniversary Reenactment of the Action at Wilson's Wharf. Through your support, Fort Pocahontas will be brought to life this year May 19-21 and the historic events which took place on May 24, 1864 will be remembered. Battles will take place Saturday and Sunday at 1 p.m. Please make every effort to represent your unit on both days to ensure the best event possible.

Registration is open to all Union and Confederate military impressions. This event is most successful with a strong presence of United States Colored Troops, Confederate and Union cavalry, infantry, and artillery. The USCTs are particularly important to the history of the site, therefore registration fees are waived for members of those units. A strong artillery presence is needed for both battles and the Saturday evening night fire. A bounty of \$150 per gun will be offered to the first 4 full-size guns registered. The cavalry is also important to the success of the event and advance registration is required so that preparations can be made for equine reenactors. As always, sutlers and civilian interpreters are welcome and will contribute to the authentic atmosphere of the event.

A dinner and dance with live music will be held Saturday evening. If you plan to attend dinner, you must make reservations by marking the appropriate section of the registration form. Registrations received **by May 12** are eligible for a discounted rate of \$10 per person. **After May 12**, the fee is \$15 per person. On-site registration will be accepted for but advance registration is strongly encouraged.

Additional information can be found at www.fortpocahontas.org. Your help in promoting this unique event to businesses, spectators, or at related events is much appreciated! Contact Event Commander Joe Funk at gweitzel@prodigy.net or Event Director Annique Dunning at info@fortpocahontas.org or (804) 829-9722 with questions. I look forward to seeing you in May!

Best regards,

William Tyler
